To whom it may concern,

My name is Stephanie Allred and I am the Director of Kingz Kidz Pre-School in Wichita, KS. I have known Robert Shaida for many years through our church, Bethel Life Center and he has also been a part of my Kingz Kidz preschool team since 2009. During Robert's eight years with the Pre-School he has had various roles including Lead Teacher, Assistant Teacher, Physical Education Teacher, and Music Teacher. He is always willing to jump into whatever role is necessary without hesitation, which is great.

Robert is a thoughtful, caring man that does an amazing job with the students. He does an amazing job keeping the kids's attention during class time and the kids have a solid respect for him. His exceptional musical talent is wonderful for the students in music/song. His also uses his wealth of knowledge in technology as a teaching tool in the classroom.

Robert works well with fellow co-workers, possesses great communication skills and is very patient. He is always dependable and he is a true asset to my team. If you should have any questions, please feel free to reach out to me at +1(316) 214-4949.

Sincerely,

Stephanie Allred

Recommendation for Robert Shaida
from Sarah Good, Program Director

I'm so glad Robert found the Day School and chose to become part of the team! I knew he was a kind and gentle soul from the beginning, and I've enjoyed getting to see his other gifts shine as well. He has a fun sense of humor with the kids, and is a calming presence for them. He truly has a servant's heart and shows God's grace and love in his interactions with everyone he meets.
